Missions TAKE A DIVE – Volunteer Opportunity

The Missions team has scheduled a great family-friendly volunteer opportunity for our Water's Edge congregation. On Saturday **March 5th, 2011 from 9AM-12PM** Water's Edge will be volunteering at Matthew 25 Ministries in Blue Ash. Matthew 25 Ministries is a non-denominational interfaith ministry which provides humanitarian aid to those in need. The warehouse in Blue Ash packs and ships a wide variety of supplies to the poor. Supplies are distributed wherever there are people in need, primarily to children and the elderly in hospitals, clinics, orphanages, and schools throughout the United States and in developing countries. Our team will be sorting, packing boxes and other small jobs that the warehouse coordinator needs on that day. Everyone is welcome to volunteer including children of all ages with their parents (children must be accompanied by adult). **If you are interested in volunteering please stop by the Missions table in the back of the worship area to sign up or send an email to Lisa Morris at missions@watersedgeumc.net.**

Do Something! Challenge Begins

This year the Missions team is re-launching the Do Something challenge. Have you been helping with Upward? Do you volunteer at your child's school? Do you help at a nursing home, library, community center, or other? The Water's Edge Missions team is challenging EVERYONE to get involved in the community. Our goal this year is 3600 hours and we need your hours to help us achieve our goal. That's 24 hours per person. While we had a lot of folks volunteering last year, we did fall short of our goal. We know that there were unreported hours last year. This year we want to make sure that EVERY hour counts. So text your hours now, to 513-295-1208, send an email to Melissa.hagemeier@watersedgeumc.net or stop by the Mission's table in the back of worship to turn them in. Just send us your name, the number of hours and where you volunteered (ex. Lisa Morris, 3 hours, Mason Early Childhood Center).

Missions Team - Climb in the Boat

Don't forget, the Missions team is **collecting diapers this month** to benefit the Mason Food Pantry. Please consider donating a pack of diapers to help those in need. Drop your diapers off at the Missions table in the back of the worship area.

Youth News

The youth had a wonderful time on Monday with a day full of service projects. The youth worked hard making 24 craft kits for Kings Domain camp in Morrow and made 12 Tie blankets for Hope House in Cincinnati. They were also able to travel down to MEAC to give donations that SOS and the youth have been collecting since this summer. Thanks Youth for your hard work and dedication showing Gods light to Cincinnati!

Youth Fundraiser For Mission Trip

The youth will also be starting a fundraiser to help support the youth traveling to Awaken in the City this summer. The youth will be collecting old or broken cell phones. It's an easy fundraiser to share your support and get your old cell phones out of the house. Look for boxes at Church to drop off your old cell phones. If you have any questions feel free to contact Nicole Grice at nicoleagrice@gmail.com.

Joining A Small Group

The beginning of a new year is a time when many of us reflect on our lives. We resolve to make healthy choices regarding our health, family, work, etc. If one of your resolution areas involves spiritual growth, why not consider getting involved (or re-energizing in your involvement) with a small group? We challenge you to either contact your previous small group facilitator to find out about the group's current study time, materials, etc.; or contact Gina Howard or Mike Browning and we will do our best to match you up with a group that fits you (and your family). Email us at smallgroups@watersedgeumc.net or phone Mike at 513.939.8484 or Gina at 513.304.7150

Announcing A New Online Accessible Database – Please Sign Up

We are excited to announce an online accessible database called Access ACS. Through this database, you will be able to view your financial giving for the year. This will eliminate having to send out quarterly statements, as the information will always be available. You will also be able to update your personal information as your email or phone changes. Finally, you will be able to use this database as an online church directory. Currently you will only be able to view text, but soon we will have the capability to take family pictures and upload them so when someone pulls up your name, they will see who you are. This will give us an online pictorial without having to incur printing costs.

Below are directions on how to receive a login to access the database. If we do not have an email on file for you or the one you are trying to use, you will get an error message. If you do, don't worry. Just contact me and I can easily fix the problem. It is more of a security item so we know that only those people we know are able to get access to the database. I hope you are as excited as I am about this new tool. If you have questions, please don't hesitate to contact me (melissa.hagemeier@watersedgeumc.net or 295-1208).

To receive an Access ACS login:

Click on the following link: <https://secure.accessacs.com/access/memberlogin.aspx?sn=143858>

Once on that page, you will see below the login area that says "Need a login click here". Click on the "click here"

On this page, enter your email and then first and last name. You will receive a login for Access ACS in your inbox.

If you experience difficulty, please email Melissa at melissa.hagemeier@watersedgeumc.net and she will help you resolve the problem.

Once you have your login and password, please visit our website at www.watersedgeumc.net and click "member database" in the bottom right hand corner to login to the database.

As these kinds of things come up, please email Melissa at melissa.hagemeier@watersedgeumc.net with the details so the information can get in the newsletter.
