

## Mission Trip- Awaken The City - July 11-July 16, 2010

### Cincinnati, Ohio

Awaken the City is a ministry of Hyde Park Community UMC in Cincinnati, Ohio. We serve, grow, and worship because we see the city waking up to God's presence. Awaken the City is about people. It is about our city. Awaken the City is about partnering with God and following the Spirit into the world. We seek to unite the gifts of the body of Christ with the needs in the city. We are in ministry because we see the possibilities for transformation. We see the possibility of restoring and renewing.
